Irene-3

Designed in 2012

52" diameter version
shown in Brushed Nickel

Cutting a figure like no other, the Irene-3 is rustic, yet strikingly modern with three neatly joined, solid walnut-stained wooden blades. A spherical motor housing complements its minimal profile. Irene-3 is streamline while still appearing warm and natural.

- 52" or 42" diameter with three solid wood, walnut-stained machine-cut blades.
- Energy efficient, ultra-quiet, six-speed, reversible DC motor with new, reliable technology.
- Damp location finishes: brushed nickel, polished chrome or textured bronze.
- Constructed of cast aluminum and heavy stamped steel.
- Limited Lifetime Warranty
- Standard equipment:
 - One downrod of 10". 5", 20", 30", 48" or 72" downrods are also available.
 - Vaulted ceiling mount canopy for up to 30 degrees.
 - Reverse on six-speed, hand-held and wall-mountable remote control.
